Lincoln Financial CodeLine

HackAI – Morgan State, October 2024

Hybrid Hackathon

Study Buddy Hackathon at Morgan State University

Imagine an app that transcribes recorded lectures and turns them into searchable, interactive study materials.

You can do just that during the Study Buddy Hackathon. Help create a tool that makes studying easier and more efficient.

Whether you're a coding whiz, a design guru, or a brainstorming mastermind, we want YOU to be part of this opportunity.

Innovators Insights: Navigating the Tech Landscape

Dr. Amen Mashariki:
Director of AI and Data
Strategies at the Bezos
Earth Fund
