

Research Title

Author Name(s)

Department / Program, Morgan State University

INTRODUCTION

Background and motivation — why does this research matter? (Overall Impact)

METHODOLOGY

Study design, data, and methods used.

DISCUSSION & CONCLUSIONS

Interpretation, broader impact, and conclusions. (Overall Impact)

RESEARCH OBJECTIVES

Your research questions and objectives.

RESULTS & FINDINGS

Key findings with clear figures, charts, and tables. (Appearance & Organization)

REFERENCES

Your cited references.

RELATED WORK

Prior work and where your study fits in the field. (Technical Knowledge)
